

Year 6 Home Learning Menu Spring 2024

Each week choose a different task from the list.
Home learning is due in on a **MONDAY**.

1. Create a Spanish dictionary for the words you have been learning so far this academic year.

2. Go to <https://www.skillsbuilder.org/homezone>. Scroll down to 'Skill challenges' and pick one of the challenges to do based on a particular skill.

3. Write a persuasive leaflet to encourage someone to visit the tourist attractions in modern day Rome.

4. Create a presentation based on E-Safety / Staying Safe Online, including when using mobile phones or tablets.

5. Write a diary entry as Charles Darwin when he traveled to the Galapagos islands. You may need to complete some extra research first.

6. Imagine you are living in Ancient Rome. Write an argument as to why gladiator fighting should be banned.

7. Find out the yearly average temperature / rainfall for a country of your choice. Draw a graph of your findings.

8. Create ten problems (and answers) which include Roman numerals.

9. Write 20 balancing calculations using a range of operations. i.e. $3 \times 8 = 48 \div 2$

10. Produce a chart / table converting different weights, lengths or capacities.

11. Create a fact file about Mary Anning.

12. Write a persuasive letter asking tourism companies to be more environmentally friendly.

13. Choose any European country and compare and contrast it to Italy. Think about key physical and human geography features

14. Design and make or draw a mosaic which would be placed on a Roman Villa flooring. Remember to research these first.

Other Weekly Home Learning Activities

- Daily reading recorded in the learning planner
- Learn multiplication and division facts – Times Table Rock Stars can be used for this
 - Maths activities on Mathletics
- Weekly spellings and spelling shed activities – tested on **FRIDAY**
