Golden Rules - Do be kind and helpful/Do be gentle/ Do listen/ Do concentrate/ Do be honest/Do look after property

Learning Behaviour - Respectful/Resilient/Resourceful/Reflective/RelationsHips

Class	Child's Name	Type of Merit	Merit
3E	Padmini	All 5 Rs	Padmini had a fantastic end to last term and has continued this into the new term. She made fantastic progress so far this year and is a great role model to her peers.
	Stella	Resourceful (Ms Dempsey)	Stella wrote an enthralling story about a little bird who invented migration. She planned this story well with the main character having a goal but facing a number of problems and challenges before... no spoilers here!
3G	Lakshitha & Aarush	All 5Rs	These children put so much effort into their learning and it is really showing in their maths and writing. I am very proud of their efforts in class - keep it up! You are awesome.
3H	Diptanshu and Himaksh	Reflective	Both boys have made a fantastic start to this term. They are always following instructions and are setting an example to the rest of the class by demonstrating excellent learning behaviour. Thank you for being great role models.
4D	Esha, Ryan, Ananya, Yusef and Akshay	All 5Rs	These children have consistently displayed model behaviour in and outside of the classroom. They have been patient, helpful and respectful not only to the teachers but to their classmates who admire and respect them back. Well done and keep it up.
4K	Viduni and Ameira	Resilience	These girls have impressed me with their detailed answers with evidence from the text while answering comprehension questions in guided reading.
	Ben	Resourceful and resilience	Ben has mastered his learning about tenths as decimals and fractions and could correctly answer all the reasoning questions. Well done, Ben!
4U	Rushil	be curious, reflective	This week while we were talking about different historical figures, Rushil put his hand up to ask a very good question about gravity. He wanted to know why the moon is not pulled away from the earth by the sun's gravity. I asked him to research it on the chrome book. He then found the answer and waited for the right moment to tell me the answer.
	David (flower house)	resilient and relationships	David has joined the class and started to learn how 4U works. He has been joining in with all of the activities and has settled in really well. Welcome to 4U and Park Hill Junior School!

5F	Yahia, Nishaa, Omkar	Reflective Curious	These children did lots of reading and research at home around our brand new topic, Ancient Greece. They brought it in books from home to share with the class. Thank you for being curious and eager, and showing us how fun learning can be!
5L	Anaya and Sophie	Relationships Reflective Resilient	Mr Lindsey would like to mention that sometimes we have weeks where things do not always go to plan and relationships can be difficult. Both Anaya and Sophie have been resilient this week in reflecting on times where they have had to work on their relationships with others and have reflected on how these can be improved. Well done!
5P	Elijah	Resilience	Elijah persevered when writing a letter to Xanthos this week in our English lessons. Elijah took time to think about how he could uplevel his sentences to be the best they could be. Well done Elijah - I can't wait to read the rest of your letter!
	Aaron	Resourceful	Aaron worked really hard in Outdoor learning today, filling up the wheelbarrow full of soil to transfer to the planters. Thank you for working well in a team but also for preparing an area for your class to grow some vegetables!
6A	Christian and Devish	Respectful	Both these children consistently show fantastic learning behaviours by listening to others, collaborating with peers and always providing meaningful feedback. Thank you for being such wonderful role models and uplifting others.
6I	Ella, Genesis and Aarush		These children are such great role models for 6I. They both are always trying to help their peers when others' are struggling with assessment questions. It is a great skill to have. Thank you for always helping others.
6M	Aythen	5R's	Aythen is a wonderful role model in 6M, he is kind, respectful and has shown expectational responsibility looking after 6M's equipment bag. You have recently put lots of effort into your learning and it's lovely to see your confidence grow as you share your learning with others. Well done Aythen.
