Dear Parent/Guardian

We are pleased to be writing to you about the Volunteer Police Cadet Program. We are hoping to be opening a Junior Cadet Unit at Park Hill Junior School starting in January 2024. This will run on a Thursday from the end of the school day till 4.45pm. It is a great opportunity for 20 students who will spend an hour and a quarter after school a week with local Police Officers working towards a number of awards and learning about all areas of policing in the Croydon community.

There is an exciting program planned with topics such as stop and search, the phonetic alphabet and first aid alongside more physical sessions where the cadets will try and pass the police fitness test, complete command tasks and learn some drill (marching). There will also be loads of fun and games. The Junior Cadets will also have the opportunity to attend camps and activity days. There will be guest speakers coming in to speak with them and much more.

If you would like to be considered for one of the 20 spaces in this unit then please complete the attached form and return it to your teacher. We will be in touch in the run up to Christmas with information about the exact starting information.

We look forwards to meeting you soon

Kind Regards
