Thursday 31st October 2024

## Year 3 Science Club - Thursdays 12.45-1.15pm

Dear Families,

We are delighted to inform you that Year 3 Science Club is starting again! It will run **for five sessions from Thursday 7th November - Thursday 5th December in 4L from 12.45-1.15pm**. Over the past few years, we have worked hard to improve the science opportunities at our school and we hope this club will continue to increase enthusiasm for the subject even further.

Science Club will allow children to take part in more interactive science, including a broad range of experiments and investigations. It will give our curious scientists the opportunity to explore science, including topics not regularly covered in the curriculum, alongside other children with a similar enthusiasm for science.

Please note that as we will be completing scientific investigations there will be high expectations of behaviour. This is to ensure the safety of everybody involved. If these expectations are not met, then children may be asked to leave the club.

Places will be allocated on a first come first served basis and you will receive a text to confirm your child's place in the club. Please note there is only a limited number of places for this club.

Thank you for your support and we look forward to lots of scientific exploration with our curious young scientists!

Yours sincerely,

Mr Lindsey  
Science Subject Leader

---

### FAO Mr Lindsey SCIENCE CLUB PERMISSION

Child's Name ..... Class .....

I give permission for my child to attend Science Club on Thursday lunchtimes from 12.45-1.15pm.

Medical needs / allergies
